

Capability Statement

A multidisciplinary strategic services firm · Built for execution.

■ SBA CERTIFIED SDVOSB

HB Strategic Partners is a strategic services firm supporting government, operational, and institutional initiatives through flexible, execution oriented support across operations, sourcing, technology, and implementation.

■ CORE COMPETENCIES

- **Strategic Operations**
Operational coordination, workflow support, and organizational execution.
- **Technology Enablement**
Digital systems, workflow tools, and modernization initiatives.
- **Strategic Sourcing & Procurement**
Vendor relationships and procurement-aligned support.
- **Communications & Information**
Presentations, information design, and digital assets.
- **Multidisciplinary Project Support**
Coordination across technical, sourcing, and operational needs.

■ LEADERSHIP EXPERIENCE

- **Government Program Administration**
Administering agent for a municipal government agency (NYC HPD); experience with HUD, Section 8, and VA programs.
- **Regulatory & Compliance Operations**
Founded and operated firms in highly regulated, audited environments; state rent regulation, building code compliance, and tax abatement programs.
- **Asset & Capital Management**
\$70M+ in assets under direct management, including veteran-owned housing; \$6.5M+ in capital raised.
- **Executive Leadership**
20+ years founding and operating companies, with international operations in Ukraine and Brazil.
- **Technology & Systems**
Two decades of software development, including an applicant-screening system for City of New York—overseen affordable housing and an enterprise platform that ran a company's operations.
- **Manufacturing & Production**
Owned and operated a manufacturing business; production and sourcing of goods.
- **Property & Facilities**
General contracting; mold, fire, and sewer remediation.
- **Military & Aviation**
U.S. Air Force pilot & aircraft commander; commercial airline captain (B-737).
